

Title II Allocations FY03

Source: Iowa Department of Education
FY02 Title II and Class Size Allocations
Basic Educational Data Survey, Enrollment File, Sept. 2001

Notes: Title II and Class Size Allocations for FY03 are held at the same levels as FY02.

The total amount to be allocated according to poverty and enrollment was determined by subtracting the total FY02 Federal Class Size and Title II allocations from the FY03 grand total of \$20,683,069. This difference totaled \$5,263,360 and was then allocated by district with 80% being allocated according to poverty and the remaining 20% being allocated according to enrollment. The poverty count numbers were furnished to the department by the United States Department of Education and are the same used for the FY02 Federal class Size Allocations. The enrollment allocations were based on the combined total of public and nonpublic students in grade K-12 within each district as reported on the 2001-02 fall Basic Educational Data Survey. Title II Allocation for FY02 may be slightly different that actual allocations due to rounding.
